

§ 351.4

or in book-entry form, that pays interest on the principal based on rates determined by Treasury.

Single owner means the person named in the registration of a savings bond without a coowner, beneficiary or secondary owner.

Taxpayer identification number (TIN) means the identifying number required on tax returns and other documents submitted to the Internal Revenue Service; for example, an individual's social security account number (SSN) or an employer identification number (EIN). A SSN is composed of nine digits separated by two hyphens, for example, 123-45-6789. An EIN is composed of nine digits separated by one hyphen, for example, 12-3456789. The hyphens are an essential part of the numbers.

We, us, or our refers to the agency, the Bureau of the Fiscal Service. The term extends to the Secretary of the Treasury and the Secretary's delegates at the Treasury Department and Bureau of the Fiscal Service. The term also extends to any fiscal or financial agent we designate to act on behalf of the United States.

You or your refers to an owner of a Series EE savings bond.

[68 FR 24796, May 8, 2003, as amended at 70 FR 14941, Mar. 23, 2005; 71 FR 46857, Aug. 15, 2006]

§ 351.4 In what form are Series EE savings bonds issued?

Series EE savings bonds are issued in book-entry form. Effective January 1, 2012, Treasury discontinued the issuance of definitive Series EE savings bonds.

[76 FR 66855, Oct. 28, 2011]

Subpart B—Maturities, Redemption Values, and Investment Yields of Series EE Savings Bonds

GENERAL PROVISIONS

§ 351.5 What is the maturity period of a Series EE savings bond?

Series EE savings bonds have a total maturity period of 30 years from the issue date, consisting of an original maturity period and one or two periods of extended maturity, which vary depending on the issue date of the bond.

31 CFR Ch. II (7–1–15 Edition)

The interest on an outstanding bond ceases to accrue 30 years after its issue date.

§ 351.6 When may I redeem my Series EE savings bond?

(a) *Bonds with issue dates on or before January 1, 2003.* You may redeem your Series EE savings bond at any time beginning six months after its issue date.

(b) *Bonds with issue dates on or after February 1, 2003.* You may redeem your Series EE savings bond at any time beginning twelve months after its issue date.

§ 351.7 May Series EE savings bonds be called for redemption prior to final maturity?

The Secretary of the Treasury may not call Series EE bonds for redemption prior to final maturity.

§ 351.8 When is interest payable on Series EE savings bonds?

Interest on a bond accrues and becomes part of the redemption value. Interest earnings are payable upon redemption.

§ 351.9 When will I receive the redemption value of my Series EE savings bonds?

(a) You will be paid the redemption value of your definitive bond when you surrender the bond for payment as provided in these regulations and in 31 CFR part 353.

(b) You will be paid the redemption value of your book-entry bond when it reaches final maturity, if you have not redeemed the bond previously.

§ 351.10 What do I need to know about market yields, or market bid yields, to understand redemption value calculations in this subpart?

We use market yields, or market bid yields, derived from Treasury bills, notes, and bonds, to create a yield curve based on the most actively traded Treasury securities. This curve relates the yield on a security to its time to maturity. Yields at particular points on the curve are referred to as “constant maturity yields” and are determined by the Treasury from this daily yield curve. Six-month and 5-year Treasury securities rates are derived from these yield curves.
